

ATSU President Jack Magruder with his horse, Governor.

A.T. Still University is proud to support the NEMO Fair.

Home of the world's first osteopathic medical school, founded in 1892, A.T. Still University is a leading educator in multidisciplinary healthcare founded on the principles of whole-person care. Recognized around the world for its integrated approach, ATSU equips students with the knowledge, compassion, and hands-on experience needed to address the needs of the whole person.

ATSU offers graduate and professional programs in healthcare fields at the Kirksville College of Osteopathic Medicine and the online School of Health Management, located in Kirksville, Mo., and the Arizona School of Dentistry & Oral Health, the Arizona School of Health Sciences, and the School of Osteopathic Medicine in Arizona, located in Mesa, Ariz.
